

FIRST ANNOUNCEMENT

Dear Colleagues,

We are pleased to inform you that the gathering called the "International Annual Symposium and Scientific Workshop on the topic of Sterilization and Disinfection in Health Care Organizations" is going to take place in Opatija (Croatia) from 25 to 28 March 2009.

The organizers of the symposium are the WFHSS (World Forum for Hospital Sterile Supply) and the Croatian Association for Hospital Sterile Supply.

This gathering is intended for:

- CSSD managers and workers
 - physicians,
 - dentists,
 - pharmacists,
 - health care inspectors,
 - representatives of the Ministry of Health,
 - hospital management
- and for all those professionally interested in this topic.

The most respectable experts in the field of sterilization and disinfection from all over the world will deliver their lectures in accordance with the enclosed programme and the topics. One of the goals of this gathering is the founding of the regional association for commencing the initiative to establish an educational centre for training of CSSD managers.

Enclosed please find the registration form and all the necessary information based on which you can register your participation in the symposium.

For all further information please do not hesitate to contact us.

We are looking forward to our joint meeting in Opatija.

Yours faithfully,

Chairman
WFHSS:

Wim Renders

President
HUMS-te:

Vlatka Turčić, MD, MSc
